Privacy Act Statement:
In accordance with Public Law 93-579 (Privacy Act of 1974), providing the personal information asked in this survey is completely voluntary. Collection of this information is requested to allow the Department of Veterans Affairs, and its subdivisions, to assess employees’ perceptions and level of satisfaction with their work environment. Sections 1302, 3301, and 3304 of Title 5, US Code authorize collection of this information. Completed surveys will be returned directly to an outside vendor for tabulation. All information you provide about your job and about yourself will be treated confidentially. The information you provide will be compiled, analyzed, and reported for the whole population and certain subgroups. Future disclosures may involve releases of statistical data and other non-identifying data for the improvement of employee work environments and associated administrative purposes. No identifiable, individual responses will be reported or revealed.
ABOUT THIS SURVEY

This survey asks for your views of ethics in your work environment and your facility’s support for ethics. The data collected will be used to improve the work environment in your facility and throughout the Veterans Health Administration.

The survey is completely confidential and anonymity is protected throughout the process. To protect your anonymity, data will never be reported for any group when there are less than 10 employees who responded to the survey from that group. It is not possible to link individuals with their responses. Completing the survey is entirely voluntary, but your help in responding to the survey is very important. By voicing your opinion you can help to make changes in your facility and throughout VHA.

INSTRUCTIONS

Please read each question carefully and choose the answer that best matches how you think or feel.

Respond to the questions based on your perceptions and experiences at your current VHA facility. We want your input based on what you know or believe. You do not have to have complete knowledge of all activities at your facility to provide important, useful information.

Most respondents take less than 30 minutes to complete the entire survey.

For Multiple-Choice Questions:
Click one answer for each question. Sample Question:

☐ Strongly Agree
☐ Agree
☐ Neither Agree Nor Disagree
☐ Disagree
☐ Strongly Disagree

To select the response “Agree” as your answer, you would simply click on “Agree” as shown above.

When you have completed the survey, click on “Submit” to send your answers directly to an outside vendor’s confidential survey system. Please complete the survey only once.

Note: For some questions, only an abbreviated version of the question is included here due to a licensing agreement with the Ethics Resource Center for questions that are copyrighted. These questions are indicated by a diamond (♦). The full versions of the questions were used in the administration of the survey.
YOUR WORK IN VHA

Please do not begin the survey until you have completed the next three questions about your work in VHA. Answering these questions will determine which sections of the survey apply to your work. To protect your anonymity, data will never be reported for any group when there are less than 10 employees who responded to the survey from a group.

Please complete the following questions regarding your role in VHA.

1. Does your work in VHA involve direct patient care (e.g., as a physician, nurse practitioner, registered nurse, psychologist, chaplain, social worker, resident, fellow, counseling staff, rehabilitation therapist, respiratory therapist, nutritionist)?
   - Yes ➔ If yes to Item 1, respondents should see questions identified for all staff (sections W, PC, M, G, and RA), then the items for Clinical Staff (sections DM, P, E, and items CD1 and CD2), and then background items (section D).
   - No ➔ If no, respondents should see questions identified for all staff (sections W, PC, M, G, and RA) and then the background items (section D).

2. Does your work in VHA involve administrative or service operations such as Revenue, Fiscal, Health Information Management (HIM), Logistics, or Compliance and Business Integrity (CBI) functions (e.g., patient registration, eligibility, billing, coding, accounts receivable, utilization review, MCCR/MCCF, budget, purchasing and contracting, auditing, monitoring, or compliance)?
   - Yes ➔ If yes to item 2, respondents should see questions identified for all staff (sections W, PC, and M), then items for Compliance and Business Integrity (section CB), then remaining all staff items (sections G and RA), and then the background items (section D).
     
     If yes to items 1 and 2, respondents should see the questions identified for all staff (sections W, PC, and M), then items for Compliance and Business Integrity (section CB), then all staff items (sections G and RA), then the items for Clinical Staff (sections DM, P, E, and items CD1 and CD2), and then the background items (section D).
   - No ➔ If no to item 2, respondents should see questions identified for all staff (sections W, PC, M, G, and RA) and then the background items (section D).
3. Does your work in VHA involve research (e.g., conduct of research, managerial or administrative responsibility for research, research oversight, or service on a research related committee or group)? For these purposes, count as research activities only studies that have been approved as VA research by a VA Research and Development Committee.

☐ Yes → If yes to item 3, respondents should see questions identified for all staff (sections W, PC, M, G, and RA), then the research items (section R), and then the background items (section D).

If yes to items 1 and 3, respondents should see questions identified for all staff (sections W, PC, M, G, and RA), then the items for Clinical Staff (sections DM, P, E, and items CD1 and CD2), then the research items (section R), and then the background items (section D).

If yes to items 1, 2, and 3, respondents should see all items including the questions identified for all staff (sections W, PC, and M), then items for Compliance and Business Integrity (section CB), then all staff items (sections G and RA), then the items for Clinical Staff (sections DM, P, E, and items CD1 and CD2), then the research items (section R), and then the background items (section D).

☐ No → If no to item 3, respondents should see questions identified for all staff (sections W, PC, M, G, and RA) and then the background items (section D).

DEFINITIONS

Please use the following definitions when answering questions referring to these terms.

Ethics: what is right or what should be done.

Ethics concern: uncertainty or conflict about values.

Facility: the physical location where you work.

- For most, your facility is a VA Medical Center. If you work at a medical center with multiple divisions, your facility is the particular campus where you work.
- If you work at a CBOC, your facility is the parent VA Medical Center.
- If you work in a VISN office, your facility is the VISN office.
- If you work in Central Office, your facility is Central Office.
- If you work in a virtual department or offsite, your facility is the one where your department is based or that you report to.

Manager: an individual who has administrative authority for a unit, department, service line or entire facility. Managers include senior managers (e.g., medical center director, chief nurse executive), middle managers (e.g., associate chiefs, service line managers) and first line managers (e.g., unit supervisors, team leaders) all of whom are responsible for making policy, fiscal or operational decisions.
Senior Manager/Executive:
- Those in executive positions who supervise managers.
- If you work at a VA Medical Center, your senior managers are the leadership team, typically consisting of the Director, Associate Director, Chief of Staff and Chief Nurse or Executive/Associate Director for Nursing or Patient Care Services.
- If you work in a VISN office, your senior managers include the Network Director, Deputy Network Director, Chief Medical Officer, Chief Financial Officer, Chief Logistics Officer and Quality Management Officer.
- If you work in Central Office, your senior managers are the Under Secretary, Deputy Under Secretary and Chief Officers.

Supervisor: first line supervisor; typically those who are responsible for employees’ performance appraisals and approval of their leave.

Team Leader: those who lead a team of employees but who may not be responsible for employees’ performance appraisals or approval of their leave.

Human Subjects: individuals (including Veterans, VA employees and others) who are enrolled in a research study or whose private information is used for a research study (sometimes referred to as “research participants” or “study participants”).

Respond to the survey questions based on your perceptions and experiences at your current VHA facility.

Your answers in this survey are anonymous. It is not possible to link individuals with their responses.

BEGIN THE SURVEY
ETHICAL PRACTICES IN THE EVERYDAY WORKPLACE

At this facility:

W1. Employees are treated fairly.

W2. Managers follow up on ethical concerns that are reported by employees.

W3. ♦ Trust management to keep promises and commitments.

W4. I am reluctant to raise ethical concerns.

W5. I am familiar with my facility’s ethics consultation service, a service to help patients, providers and staff resolve ethical concerns in the health care setting.

W6. If I needed help with an ethical concern related to health care, I would be likely to contact my facility’s ethics consultation service.

PATIENT PRIVACY AND CONFIDENTIALITY

At this facility:

PC1. During the past 12 months, have you heard private information about a patient discussed within earshot of others who are not involved in that patient’s care?

PC2. During the past 12 months, have you observed notes or papers with identifiable patient information left in areas where they might be viewed by patients, family or non-treating staff members?
ETHICAL PRACTICES IN BUSINESS AND MANAGEMENT

</table>
PROFESSIONALISM IN PATIENT CARE

At this facility:

P1. If a medical error caused harm, the error would be disclosed to the patient or surrogate.

P2. I am reluctant to raise concerns when I think a colleague’s clinical abilities are impaired.

P3. If a clinician displays intimidating, abusive, or disruptive behavior toward others, managers will intervene.

P4. Rate your facility on how well it provides you with clear guidance on how to maintain professional boundaries in your relationships with patients.

P5. Rate clinicians at your facility on how well they treat patients who practice undesirable behaviors (e.g., drug abuse, non-compliance) with the same amount of respect as other patients.
ETHICAL PRACTICES IN END-OF-LIFE CARE

B1a. What percentage of your clinical time do you spend providing care for dying patients?

E1. Rate your facility on how well it educates you about ethical issues in end-of-life care.

At this facility:

E2. When clinicians think that CPR would be medically futile but the surrogate wants everything done to prolong life, how often do clinicians write DNAR (do-not-attempt-resuscitation) orders?

E3. How often do clinicians discuss CPR with patients without discussing overall goals of care?

E4. How often do clinicians place feeding tubes in patients near the end of life without presenting the option to forego artificial nutrition?
ETHICAL PRACTICES IN RESEARCH

B3a. What percentage of your time do you spend on research?

B3b. What is your primary role in research? (Check only one)

Investigator (e.g., principal investigator, co-principal investigator, associate investigator)

Administrative staff (e.g., Administrative Officer, Associate Chief of Staff for Research and Development, IRB staff)

Project director and manager

Other scientific support staff (e.g., biomedical technician, laboratory or clinical study coordinator, research assistant, statistician, animal care staff, IT professional)

Post-doctoral fellow

R&D Committee and subcommittee member (e.g., IRB member)

Other (please specify)_________

B3c. Does your work involve research with human subjects?

Yes
No
R1. If I needed help with an ethical concern related to research, I would be likely to contact my facility's ethics consultation service.

R2. Rate researchers at your facility on how well they avoid activities or relationships (including personal, academic, or financial) that could call into question the integrity of their research.

R3. Rate researchers at your facility on how well they describe a research study to human subjects in a way they can understand.

R4. During the past 12 months, did you ever feel pressured to compromise federal regulations, VHA policy, or ethical standards related to research?

FACILITY RATING

D1. How would you rate your facility as an ethical organization?
BACKGROUND INFORMATION

D7. **What is your level of supervisory responsibility?**
   - None □
   - Team leader □
   - First line supervisor □
   - Manager □
   - Senior manager/executive □

D2. **What is your gender?**
   - Male □
   - Female □

D3. **What is your age?**
   - Less than 20 years old □
   - 20-29 □
   - 30-39 □
   - 40-49 □
   - 50-59 □
   - 60 years or older □

D4. **Are you Spanish, Hispanic, or Latino?** □ ☐

D5. **What is your race? (Select all that apply)**
   - White □
   - Black or African American □
   - American Indian or Alaskan Native □
   - Asian □
   - Native Hawaiian or other Pacific Islander □
D6. **How long have you been with VA?**

- Less than six months □
- Between six months and one year □
- Between one and two years □
- Between two and five years □
- Between five and ten years □
- Between ten and fifteen years □
- Between fifteen and twenty years □
- More than twenty years □

B4. Have you ever served on active duty in the United States armed forces, either in the regular military or in a National Guard or military reserve unit? Yes □ No □

Thank you for participating in the Summer Voice of VA - IntegratedEthics™ Staff Survey. Your input is very important. Have a nice day.
